The image shows a small, irregularly shaped blob of a pale lime green color. This blob is positioned in the upper right quadrant of the frame. The background is a very light, reddish-pink hue, which is almost entirely featureless and lacks any distinct texture or depth. The overall composition is minimalist and abstract.

Every day my webserver generates a new book, filled with 100 blobs of a random size, random shape and a random colour on a random coloured background. As long as this webserver exists, this library will keep on growing.
